A Letter from the Chairman

Dear Friend,

Welcome to the web-site for the most *Exciting* and *Relevant* film ever to hit the British film scene: **the first Epic Biblical drama to be shot in England**, a dramatization of the Book of Revelation, the most visual and horrific book of the Bible, entitled:

THE REVELATION OF JESUS CHRIST

Exciting!

Nearly three hours of excitement set in London, Rome and Jerusalem!

Drama, music, singing and ballet, the war in Heaven, rejoicing, grand speeches and the Angelic Conflict, span history from the decadence of ancient Rome to today's equally decadent society. There are no holds barred; this film shows the truth as it was and as it is.

Relevant!

This film gives a warning!

Just look at the disastrous state of the world: global warming, directly attributable to the greed of Man, those who have destroyed the planet for filthy lucre, Corona virus, caused by Man, the increased frequency and intensity of natural disasters – the evidence is all around us - and what is essentially a third world war, albeit geographically limited to the Ukraine.

The time is right for this film

I hope you will come to see it,

All the best,

Michael R. Shute
[Chairman & CEO]
